

ARTWORK / PROOF REPORT

Independent portfolio demonstration. Not print certification. No artwork has been sent to a printer.

Artwork inspection of 1 page at requested 3.0 × 3.0 inches. File contains a PNG image (900 × 450 pixels) featuring a beige background with a dark green rounded rectangle and white text reading "FIELD NOTES / ORIGINAL DEMO." Low-resolution preview cannot certify final print accuracy, colour reproduction, or embedded raster DPI. One significant dimension mismatch identified between artwork aspect ratio and requested square print format. No alpha transparency detected.

Page 1 preview

Effective resolution

measured / warning / measurement:page-1

150.0 DPI at 3 x 3 inches; demonstration target is 300 DPI.

Transparency

measured / info / measurement:page-1

No transparent pixels detected; background colour is not inferred.

Transparent margins

measured / info / measurement:page-1

Left/top/right/bottom pixel margins: [0, 0, 0, 0]. These are not certified bleed measurements.

Aspect-ratio mismatch

measured / warning / measurement:page-1

Artwork and requested print size differ by over 2%; fitting may add margins or crop content.

Aspect ratio mismatch

model-suggested / warning / preview:page-1

Artwork is 900 × 450 pixels (2:1 horizontal ratio), but requested print size is 3.0 × 3.0 inches (square). This will result in distortion if stretched to square, or letterboxing/pillarboxing if scaled proportionally.

Low-resolution preview limitation

model-suggested / info / preview:page-1

Preview shown is a low-resolution rendition. It cannot certify final print colour accuracy, halftone rendering, or embedded raster DPI performance at production resolution (300 DPI target).

Demonstration file note

model-suggested / info / preview:page-1

Artwork contains text 'ORIGINAL DEMO' and specification version is 'demo-print-v1', indicating this is a demonstration file. Confirm this is the intended final artwork.
