

ARTWORK / PROOF REPORT

Independent portfolio demonstration. Not print certification. No artwork has been sent to a printer.

Artwork is visually simple and appears centered, with a dark green rounded-square field on a light background and a single line of text. The low-resolution preview supports only a visual check; it cannot certify print accuracy, colour reproduction, or embedded raster DPI.

Page 1 preview

Effective resolution

measured / info / measurement:page-1

300.0 DPI at 3 x 3 inches; demonstration target is 300 DPI.

Transparency

measured / info / measurement:page-1

No transparent pixels detected; background colour is not inferred.

Transparent margins

measured / info / measurement:page-1

Left/top/right/bottom pixel margins: [0, 0, 0, 0]. These are not certified bleed measurements.

Overall composition appears clean

model-suggested / info / preview:page-1

The rounded dark-green square is visually centered within the page, with consistent-looking margins and smooth rounded corners.

Text placement merits review

model-suggested / warning / preview:page-1

The line “FIELD NOTES / ORIGINAL DEMO” sits toward the left side of the green field and appears vertically around the middle; confirm this intentional alignment and hierarchy against the approved design.

Preview limitations

requires-human-review / warning / preview:page-1

This preview is low resolution and cannot certify final print sharpness, colour reproduction, edge quality, or embedded PDF raster DPI. Review the source/output at production resolution before release.
